September 11, 2013

To: All customers using TXM-900-HP3-xxx and RXM-900-HP3-xxx Modules

Re: End of life notice

Dear customer,

Linx Technologies discontinuing production of the HP3 Transmitter and Receiver modules.

To replace the HP3 series modules Linx recommends using the NT Series Transceiver (TRM-900-NT). For most applications, the NT Series Transceiver performs as well or better than the HP3 Series Transmitter and Receiver.

We will continue to supply product to customers as stock allows, and to work closely with customers using the HP3 Series to ensure that the migration to the NT Series goes smoothly

We are committed to working closely with our customers during this discontinuation. Please contact Linx if you have questions, concerns or would like more information.

End of Life Notice for HP3 Series Transmitters and Receivers

PCN #: LEOL-130911-1

Publish Date: September 11, 2013

Type of Change

End of life
