Re: Obsolescence of iJA, iJB, iJC

Dear Valued Customer / Partner,

TDK-Lambda has received an unexpected EOL notification from the supplier of the control IC used in our digitally controlled iJA, iJB, iJC series of DC-DC converters. Without a suitable alternative component, we are offering a last time buy for these products. Unfortunately we do not have suitable replacement products.

TDK-Lambda recognizes that as a past or current customer of these products, you may require additional units until substitution testing is complete or for service spares. We are offering a last time buy opportunity until 16 September 2019 (subject to availability of the remaining ICs), with a last time ship date of 30 September 2021. Please understand that these orders would be non-cancelable and non-returnable.

Please contact our technical support for additional information. 1-800-526-2324 or email lambda.techsupport@us.tdk-lambda.com

A handwritten signature in black ink, appearing to read 'Tom Tillman', enclosed within a hand-drawn oval.
